

**Premier Girls Fastpitch
Organization Coverage**

Most Organizations have exposures that go beyond those covered under a team policy. We are happy to offer limited coverage to Organizations through PGF.

I. General Liability Insurance for Organizations. Provides \$1,000,000 per occurrence for normal activities of the organization such as meetings, try outs, fund raising events, etc. Includes \$1,000,000 coverage for Sexual Abuse and Molestation. General Liability coverage is only available to organizations where all teams are covered by PGF Team Insurance.

II. Directors and Officers Liability for Organizations. Provides \$1,000,000 per claim for allegations of malpractice and mismanagement by the directors and officers of the organization. This could be called, "professional" liability for running an organization. This coverage is available only to organizations who are registered and current as not-for-profit entities. A separate application is required for this coverage. Please contact gary@newborninsurance for an application.
